2ND NEX | ZEST

2nd Meeting of the 26th NEX Council held on 12th December, 2025 at Birgunj.
ZEST 'Annual RTN Sports Fellowship' was held on 12th & 13th Decemeber, 2025 at Birgunj, with over 50+ participants from all Areas of Nepal.

ZEST

Zest 2025: Enjoying Our School Sports Day

There is always a magic that happens when sports and fellowship comes together. Last December, we headed to Birgunj for ZEST, and it became one of the most memorable highlights of the year.

The Journey: More Than Just a Drive

Our adventure began with an incredible Unity Drive from Kathmandu to Birgunj. Representing Area1, we started our wonderful journey. It wasn't just about reaching the destination, it was about the journey itself. From tea breaks to funny conversations over lunch, the drive allowed us to build deeper bonds with our RTN Family. As we headed toward the plains, the excitement only grew. When we finally rolled into Birgunj, we welcomed ourselves with refreshing Sattu Paani—the perfect local welcome to kick off the weekend!

Discovering a New Passion

The Zest team executed everything to perfection. The event featured a wide range of sports, from Futsal to Box Cricket, but I was on the Pickleball courts.

I want to give a special shout-out to the organizers, especially Nishant Chachan. He introduced me to Pickleball, and his love and passion for teaching was amazing. Even though I had never played before, his guidance made me fall in love with the game instantly. In fact, I loved it so much that I still play it regularly today!

More Than Just Games

What truly made ZEST stand out was the incredible attention to detail. Everything was seamless, from the delicious local food to the smooth scheduling.

For two whole days, we weren't just Adults. We felt like school children again, reliving our childhood sports days. We laughed, competed, and cheered, for each other as best as possible.

A huge thank you to the organizers for creating such a "Zestful" and heartwarming experience.

RTI Blood Brothers: A Week of Impact and Life-Saving Service (1,000+ Pints & Counting)

In celebration of Round Table International Day, Round Table Nepal launched the RTI Blood Brothers initiative, organizing blood donation camps across multiple cities. What started as a shared vision became a nationwide movement of purpose, unity, and Service Through Friendship. Over the course of the week, tablers from across Nepal came together to plan, coordinate, and execute blood donation camps in their respective cities.

We thank our tablers, partners, medical teams, and donors for making this possible. The campaign highlights the power of unity and the lasting impact we can create together.

The journey continues-blood is always needed, and every act of kindness counts. Let's keep inspiring, serving, and strengthening our communities.

FELLOWSHIPS

UNITY DRIVE

The Unity Drive on 12th December 2025 was a landmark event of fellowship, bringing together Tablers from all four Areas for the 2nd NEX and ZEST in Birgunj. Embodying the spirit of "One Road, One Spirit", the convoy converged at Sarovar Portico before concluding with a grand ceremony at WOW.
