3RD NEX

3rd Meeting of the 26th NEX Council held on 27th March, 2026 at ILA Resort, Chitwan.

Unity Drive & EAC Odometer Challenge was organised wherein Tablers driving from across Nepal had calculated their KM's travelled and with various contributions, 27x the total KM's travelled has been the amount contributed towards EAC fund.

LAPD

RTN organised APT Session for new Tablers on 27th March, 2026 at Chitwan.

RTN organised PINNACLE - NExT & TExT on June 6-8, 2026 at Kathmandu, with around 50 participants. Successfully facilitated by Saurabh Kedia, Rahul Agrawal & Dhruv Agrawal. The event was hosted by KRT-1.

EBC TREK

April 2-12, 2026. Round Table Nepal successfully organised EBC Trek for 35 participants from across the international Round Table family, embarking on an unforgettable journey to Everest Base Camp, experiencing the beauty of the Himalayas while building lasting friendships. Also, congratulating our very own RTN President Tr. Sumit Mittal on being awarded the RTI Honour Medal by RTI President Tr. Christopher Mintofoff at the Everest Base Camp Trek.

EBC TREK

On 2nd April, our Everest Base Camp adventure began with a flight from Kathmandu to Lukla. Even before the trek started, our hearts were racing. Landing at Lukla, often called one of the world's most dangerous airports, was both thrilling and terrifying. After a quick lunch, we laced up our boots and started our journey into the breathtaking heights of the Himalayas.

What followed over the next several days was a mix of excitement, struggle, laughter, and unforgettable memories. Every morning started early and every day tested us in different ways. The steep climbs, thin air, and long walking hours pushed us beyond our comfort zones. There were moments when the trek felt extremely difficult, but every challenge was rewarded with breathtaking views of mountains, rivers, glaciers, and the incredible beauty of nature.

One thing that surprised us all was the food. Whether it was a simple meal at a teahouse or a warm cup of tea after a long day, every meal felt special and gave us the energy to keep moving forward.

The greatest part of this journey was not just the mountains; it was the people. Tablers from different Round Tables around the world came together as strangers, but somewhere along the trail, we became brothers. We encouraged each other during difficult climbs, shared stories, celebrated small victories, and stood together whenever someone needed support.

The proudest and most emotional moment came when we finally reached Everest Base Camp. Standing at the foot of the world's highest mountain was a feeling beyond words. All the pain, tiredness, and worries simply disappeared. For a few moments, time stood still. None of us wanted to leave, but the journey had to continue. We were also fortunate to visit the Sagarmatha Pollution Control Committee camp, our partner for Project CARE and they treated us with the best meal of the entire trip.

As we made our way back down, the mood became lighter with every step. When we reached Namche Bazaar, many of us headed straight to the Irish Pub before even checking into our hotels. That night became the craziest and most memorable celebration of the trek. There was laughter, music, and pure happiness everywhere. We came from different corners of the world, but in that moment, our emotions were exactly the same. Truly, International Fellowship at it's best on Top of the World !

The following day we reached Lukla, enjoyed one final evening together, and the next morning, on 13th April, we flew back to Kathmandu. The trek may have ended, but the friendships, memories, and lessons from the mountains will stay with us forever.

Everest Base Camp was more than just a trek. It was a journey that tested our limits, strengthened our bonds, and reminded us that the best adventures are the ones shared with friends who become family.

ASPA AGM

ASPA AGM 2026 - Goa, India 8-10 May, 2026

Goa witnessed the vibrant presence of Round Table Nepal as 5 dedicated members represented Nepal at the ASPA AGM 2026 with pride and enthusiasm.

ASPA AGM

ASPA AGM Goa 2026: A Proud Moment for Round Table Nepal

ASPA AGM, one of the marquee events of Round Table International, brought together tablers from across the Asia-Pacific region in the vibrant city of Goa, India. I had the privilege of representing Round Table Nepal for the second time at this prestigious gathering.

Being part of such a magnificent event filled me with immense pride and renewed enthusiasm for the spirit of tabling. The fellowship, leadership exchanges, and shared commitment to service made ASPA Goa 2026 a truly memorable experience.

This year, five tablers proudly represented Round Table Nepal at ASPA AGM. Adding to the celebrations, Round Table Nepal achieved remarkable international recognition by securing five prestigious accolades:

- **Project Care – Service Project of the Year Award**
- **Sanjeev Agrawal (KRT 1) – Tabler of the Year Award**
- **Rajat Gupta (BPRT 10) – ASPA Super Star Award**
- **Rahul Agrawal (Past ASPA Chairman) – ASPA Super Star Award**
- **Jayant Agrawal (RTI Past President) – ASPA Pillar of Support Award**

These achievements have further elevated the stature of Round Table Nepal on the international stage and reflect the true spirit of fellowship, leadership, and unwavering commitment to service that defines our organization.

As we celebrate these accomplishments, let us continue to strengthen the bonds that unite tablers across borders. After all, while miles may separate us, fellowship brings us together.

"Miles may separate us, but fellowship unites us. Pack your bags and make memories at Round Table."

EAC

Round Table Nepal celebrates 10 Years of the Educate a Child (EAC) Project!

Marking this milestone, Round Table Nepal provided scholarships to 1000+ underprivileged children along with stationery materials, food, snacks, and health support activities including eye and dental camps, across 11 cities in Nepal. The celebrations also featured fun-filled moments, interaction programs, and inspiring sessions for the young beneficiaries. **We Connect & Elevate lives through education.**

FUNDRAISERS
